Revival of Evangelist

## Billy Sunday

Evangelist Billy Sunday came to Lima in 1911 and held a 45 day revival where over 5,000 people made decisions to trust Christ as their Saviour.

William Ashley "Billy" Sunday was born in 1862. He played professional baseball and was known as the fastest base runner of his day. He could run the bases in 14 seconds.

While living in Chicago he trusted Christ as his Saviour at the Pacific Garden Mission. God mightily used his life in the coming years. Preaching over 300 crusades during his ministry, he preached to over 100 million people with 1 million souls making a decision to trust in Christ as their personal Saviour.

A dynamic preacher, he was known to run, jump, or stand on the pulpit to convey the Bible message.

Billy Sunday died in 1935 and is buried in Chicago.

## King James Bible

The very first King James Bibles became available to the public on May 2, 1611. It was the fruit of a seven year endeavor to accurately translate the Hebrew and Greek Scriptures into the English language.

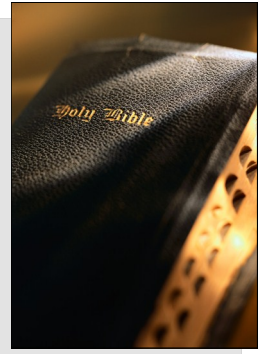

Four Hundred years later the King James Bible is recognized as the greatest and most influential piece of English literature.

It is the most widely printed and read book in history.

It has been translated into thousands of languages, far surpassing any other work of literature.

The King James Bible was used by God during the Great Awakening and the subsequent revivals up through the twentieth century.

Often imitated, but never equaled, we are grateful to God for preserving the very Words of God in the English language for these 400 years.
